I have known this sweet Lady most of my life. A great Christian woman indeed who raised a wonderful family. I know she will be missed by her loving family. I also know that the angels are singing her praise. She will be missed. I am glad I got to be a part of her "family". My mom and dad loved her so I knew how great she was.

It's amazing how God allows you to know someone, however briefly, and they stay in your heart. I was given that privilege over a two day period last July as I sat with a family, waiting for the end to near for a loved one. This person and I came to know each other very briefly, but her words stuck in my heart for always. Thank you Ms. Dot. I will never forget that moment of knowing you.
