We love you so much . This has been one of the hardest things we have had to go through. It was to soon for you to go but we have another angel and you are in heaven with Andrea. I know your looking down on us right now and we are gonna make you proud. Chance is missing you so much and he is so angry he don't understand I'm trying to have patience with him he loves you so much I will never let him forget you and how much you loved him. You will always be here in our hearts and mind.
