There are simply no words that could ever describe how I feel about my father-in-law. He welcomed me into his family with open arms and treated me as if I was one of his own. He taught me what a father is really suppose to be like. I am proud to call him my dad. He was such an amazing person. I will truly miss him! He will be in my heart always. I love you and miss you dad!

I was blessed with the best dad a guy could have. He is the kindest and most generous man I have ever known. I am proud to be his son and can only hope to be half the father he was to me. I love and miss you dad. Ken Cunningham
