Bob was more than a great friend, he was a shipmate. I have many fond memories of our young and sometimes rebellious years as junior officers aboard the F.S. Key. Glad we were able to reconnect in Charleston at the submarine reunion last summer.

I remember Robert fro High School. He impressed me as always being a kind and caring person. It sounds like his life was rich with accomplishments and that he helped many people along the way. My positive thoughts and prayers for Anna and those who were close to him.
