To my extended family the Sinor's I've known you all for more than half my life and I love you all and I'm so sorry for your loss and my heart is filled with great sadness. Mr. Sinor was like a father to me and gave me advice and never looked down on me but treated me like a son and I will miss him terribly. My prayers go out to the whole family. I love you Tom. Marilyn and family, it's with great sadness I find my old friends name here. Tommy and I were buddy's since we were 9 years old. We started off as next door neighbors and than classmates until we graduated in 1970. We both went through our teen years dealing with our mom's and their unrealistic rules and they were best friends so we had that to deal with too. I prayed for a cure a miracle or just remission that would give him more time. He wanted more time with his family that's all he wanted he loved you all and talked of you constantly. I offer my sincere prayers and thoughts for you all at this time and I know he is no longer in pain I know you will find some comfort in his peace. I loved him as my brother and I thankfully got to tell him so, God Bless all of you Pam (Torres) and Ray Woolery
