Granny touched the lives of several people. Many, like myself, she had never even met. I enjoyed her sense of humor and open mind. An open mind for people her age is very few and far between. There is no doubt in my mind that this lady lived a life with no regrets. She loved her family and she loved her God. I pray for peace and comfort to Granny's family, much love to all of you.Carolee Liles Campbell

My Granny was one of a kind. She always had an open door and she always worried about others when she was sick herself. I will truly miss being able to just get in my car and drive to Nashville to spend the day with her. We are all going to remember the good times we shared with my Granny. We love and miss you deeply..... Vanderpool Family

I just wanted to say how sorry I was to hear of Hallie's death. I missed her and all of you as neighbors. I tried to call but the phone I had said there was now a unlisted phone number. I will be keeping all of you in my prayers. Just be comforted to know she is with God and Cecil in heaven now. Love to all, Betty Paul

My prayers are with all the family. Hallie Mae and Cecil came to visit me in Californiaback in the 60's. We played in the Pacific Ocean and had so much fun. I had been away from Tn. for a few years and Hallie made me a skillet of cornbread, it was better than any cake you would ever taste!!She was always good to my family. Wish I could have seen her more in her later years.Linda Barnes
