Your Mom was a very special person and a dear friend to Paul, Micah and I for many years. She was loved by everyone who knew her. I will always remember her sweet smile, great sense of humor and beautiful nature. God saw her getting tired and a cure was not to be so he put his arms around her and whispered "come to me". A flame has left for her heavenly abode. May we, like her, spread love and joy to those around us. Let's cherish Diane's memory forever. May God keep you in his embrace at this difficult time Marie Yandell

Diane, one of the sweetest and funniest cousins ever. We didn't get together as often as we should have but when we did our sides would hurt from all the laughter and funny stories she would tell. That is how I will always remember her. Thank you Polly for taking such good care of her these last few years. She loved you dearly. Love to the family Carole Tate Randles

She told me so many stories about Ethan and Eli - and her sisters. She was so strong - I really was inspired by the tales she told me about her life in Tennessee. And she truly was beautiful in all ways - I will miss your lovely southern drawl, dear friend.

What a special person and friend she was... So difficult to think of her as gone but so grateful that she is no longer in pain. She told me many times that the only thing she was dreading was that people would be sad. She hated that so I am trying not to be. I am thankful to have had her in my life for so many years and for her introducing us to Polly! Love to Bo and his family and all of her family that I know from years of being Diane's friend and hearing stories she would tell... I will miss her...Candy Smathers

Diane was a pretty, funny and smart lady. She has been a member of our family for many years. However, the last time I saw her was at church for the dedication of Mark & Christy's twin sons Ethan & Eli...That was a special time for all. She was still as beautiful as ever. She will be truly missed by her family and friends. Mary Self & Family

Diane was a funny and vivacious lady. For a couple of years, my desk was next to Diane at the AZ Attorney General's Office. Many times the office would be extremely quiet and then we'd hear Diane say, " That makes as much sense as a square football!" Those moments brightened up our day. We will forever miss Diane. Diane loved to laugh and made coming to work everyday at the AZ AGO fun. Her greatest joy was to fish with her grandsons. She will be missed.
