I am praying for everyone. Numerous blessings. Love and light. It has been years since I have seen Marty, but, I remember Marty most for his love of animals. I had a dream this morning Marty's and my black cat, Cleo, came back was dancing in the yard. Marty was the only one who could pick him up like a baby and tuck him in at night. Cleo disappeared into the woods at age least 18 years old back in June of this year. The vet said 18 years ago, Cleo was an old cat. Our other 18 year old cat, AK, died 3 weeks ago.

I never met Marty but just looking at the photo I see kindness and gentleness in his eyes. That was true of mom and family as I knew them as a child. I knew Mary, Sammy and their parents. May he rest in peace and my condolences to the family. May our heavenly father give you peace and comfort.

I was so glad to connect with Marty on facebook. I have told my family how Marty gave me rides to and from school after my brother, Huey graduated and some of the conversations we used to have. At times he would say things to make me look at him funny and at other times...He would look at me funny. My heart hurts for the loss of this kind and fun loving person. I will always remember Marty with a smile.
