While Pat and I were so far apart in age,I don`t have a lot of childhood memories of him. But as we both grew older we became closer and shared many of the same hobbies, motorcycles, planes, boats, and basically anything with a engine. Pat and I spent many days at the lake fixing lawnmowers and boats for mom and Dorothy.We enjoyed some motorcycle rides around the lakes area with our brother Charlie, and countless hours on the pontoon boat with the rest of the family. We will always save a seat for you Pat!! Love you. Kevin
