Amanda sent a virtual gift in honor of Diane.

Feel no guilt in laughter, she'd know how much you care. Feel no sorrow in a smile that she is not here to share. You cannot grieve forever; she would not want you to. She'd hope that you could carry on the way you always do. So, talk about the good times and the way you showed you cared, The days you spent together, all the happiness you shared. Let memories surround you, a word someone may say Will suddenly recapture a time, an hour, a day, That brings her back as clearly as though she were still here, And fills you with the feeling that she is always near. For if you keep those moments, you will never be apart And she will live forever locked safely within your heart. Unknown

I could not have asked for a better mother in law! Diane was warm, kind, generous & a truly funny person. She wanted the best for her family. We often had long talks about everything & I will miss that. I know she is rejoicing in Heaven being surrounded by all of her family members who passed before her. Rest in peace you will be missed. I love you!

Barbara Allen lit a candle in honor of Diane.

We shared girl stuff, you know how sisters are, we would lend and borrow clothes, shoes, make up etc. When we were much younger, we played together, big sis would always look out for baby sister. I remember she would walk with me to daycare every morning and go on to school after leaving me there. She would cook for our family and take care of our house while my Mother was at work. I guess you take a lot of things for granted in this world but a sister's love is forever. I love you and I am really going to miss you, sis..
