Heather was a wonderful and energetic person. She had a big love for God and family and friends and was always there in a time of need. It's so hard to see someone like her go. She always lit up a room and made sure everyone was in a good mood, if you weren't, she found a way to make you smile. She is obviously deeply loved by many many people and it's so great to see how many people are pouring out their love on her pages. It's clear she will be deeply missed. We were just talking so this is a strange feeling to just have her gone the next second without a goodbye. I love you Heather Lynn! You were amazing and will be sorely missed. -Sean Carter
