I am simply overwhelmed by the loss of DoDo....somehow it is impossible to believe that she is gone. She was the friendliest, kindest, most wonderful person in school and all these years that have followed. It seems the best people are always taken away from us way too soon. I will miss you, sweet girl... I will miss our DoDo.Ed, I don't know what to say except that I understand your grief and send you peace and blessings. Wyma Poston Hornbuckle

DoDo always made it a point, no matter who or how many people were around, to find me, hug me, tell me she loved me and always with a smile on her face. I cherished each and every moment I was with her, she will be missed but I do believe I have yet one more guardian angel watching over me. Bless her, her family and friends, she was definitely ONE OF A KIND, I LOVE YOU DODO.
