Jay was one of my best friends. Many a day, we would sit on his front porch and solve the world's problems, sometimes long after the sun went down. When I worked with him, he would crack me up all the time. I miss him very much. I find myself thinking of him a lot. My thoughts and prayers go out to Diana and Jay's family. I'm so sorry for your loss. Dexter King

Jay, you were and always be my favorite Uncle. We had such a special bond. I always loved your jokes and stories. I can't think of watching an old classic movie without thinking of you. I miss that already. I can't believe I will log into FB and not see all of your daily jokes and memes. You are a treasure to me, I love you so much, it's still so hard to accept/believe. I just miss you Jay. My thoughts and condolences are with Diana and Celia as well as Mom and Christy & all of our family. I can't imagine a family gathering without you. I cherish your pictures. I love you Jay.

We never "met" however our families have known one another for a long time. We often communicated through Facebook and played Scrabble. I only managed to beat him once out of many games. He is the best player I've ever come across. My prayers and thoughts are with the Leibacher family as they go through this time of loss. Maggie Lind
