As her cousin, Judy Hardy Simmons, I remember what a lovely lady with a beautiful voice and lyrical speaking voice she possessed. She was kind and gentile and a talented artist. I wish I could be there with the family. However, I live in NC -10 hrs. away. She is only 8 yrs older than I am and I visited her in Florida one summer when she was married and had a young family. She planned activities and she was very sweet to us.(I was a teen) She is in a better place- a beautiful place of joy and beauty. Never forgotten, always remembered in my heart. love to all. Judy

Although I did not know Ms. Hardy very long, before her passing, she was always kind to me. Her warm laugh and welcoming smiles will stay with me forever. One of her most endearing comments, "well, bless your heart" is certainly a testament to her and best describes the gentleness of this dear lady... My sincerest sympathy goes out to her friends and family at this time of loss. Karen Randle, Greensboro, NC
