I remember getting up in the mornings and saying good morning momma, what do you want for breakfast. I miss that so much. I did the same for dinner. I loved making you what you wanted to eat. I miss you so much.

I'll never forget Ms. Dorothy helping me at my worst time! I was in the library and we just hit it off. I was too shy to speak to anyone and she ask me what I was looking for and where I was from. Then It was like we had known each other for years as she knew some of my family and we talked an talked there in the library. She was an amazing and sweet caring individual and I'm so glad that I had the oppportunity to get to know her.
