Chuck was my brother-in-law but I thought of him like a brother because he was so young when Tommy & I were married. He loved his Mom so much. The entire family loved sports and made a big celebration out of anything they could play in the yard. They even had badminton tournaments and his Mom, Judy would cook for any occasion. They all loved homemade bread with her homemade spaghetti & meatballs. She also cooked her famous perogies and then a game of tossing the dough would start. You always had to be alert for the dough could be in your face in no time. These times will all be left as very fond memories. God bless the Temple Family. Chuck may you rest in peace with God.

Uncle Chuck will be dearly missed by many. I will never forget the many of nights hanging out listening to you and Daddy play keyboard, watching you, Daddy, and Uncle George play ball in the backyard with Granddaddy. There are so many wonderful memories of our family. We will forever miss you Uncle Chuck but I am so glad to know that you are now at peace. You are up there playing an awesome ball game with Daddy and Granddaddy and don't forget to catch some perogies for us as Granny throws them!!!! love you Chuck!!!!Love always,Amy

Uncle Chuck is no longer in pain, but has attained the embrace of peace and love everlasting. He now resides in a realm we can only blissfully imagine. While we mourn his death here, his life beautifully thrives in eternity. Let us celebrate.."The day of death is better than the day of birth." Ecclesiastes 7:1With Love,Malinda Temple

Chuck was a great uncle and I always looked up to him as a Big Brother that I never had instead of an uncle. I have great memories from cheering on the "backyard football" games with Uncle George, Chuck, Tim and Dad. Great Bad mitten games as well and most of all---All the concerts, football and hockey games we went too. You will missed. I loved you with all of my heart. I pray that Kalea finds peace knowing you no longer are suffering and now playing football in heaven with Daddy.

Chuck was a close friend for 47 years. I have many memories from backyard football with his brothers Tommy & George to playing bad mitten with his mom & dad. I'll always remember the good times we shared as kids and adults. I pray that the family finds peace in that Chuck no longer has to suffer and is in a better place.
