Alisa and I were very close through elementary and junior high. I have a picture somewhere of her and I standing in my side yard dressed alike and holding stuffed beavers because we were so excited about being NEELYS BEND BEAVERS!! LOL. Lots of fun memories at her house and mine. I loved her and all of her family! It's times like these that we regret losing contact with people who we were so close to for so long. I will always have sweet memories of the times we shared together. I love you Alisa Gaye!! Valerie

Alisa was a special person with a gigantic heart, she was full of life. I had the pleasure of working with her at Dollar General and I at that time was going through some difficult personal issues, she was a very good friend to me and took time out of her life to help me through those times. I will never forget all the times we laughed so hard! My heart goes out to Caitlin and Nick, I know you two know what a special Mom you had, and to the rest of her family, bless you all. She will never ever be forgotten. RIP ALISA!

My heart breaks for Alisa's entire family. She and my daughter, Valerie, were best friends all through elementary and junior high, both at Neelys Bend. She was always so full of energy and so funny. She spent many nights with us and we are so thankful for all the beautiful memories we have of her. Rest in peace Alisa. We have always loved you and your family so much. Joyce and Tommy Gober
