So many memories to share I don't know where to begin, but the one that includes Susan and me regarding David. The first time I met Susan she was on the way to my house to see David. It was one of those summers were classmates could not drive yet and they came to spend the night one night and next thing you know almost 2 weeks pass and they are still at your house. David was like Mom is on her way and she wants to meet you. I was scared, I was afraid she thought I had kidnapped David. At this time he had become a part of the Stromatt Family, When David, Tyler, and I waited for her outside she pulls up and jumps out. I was like OH MY! She comes running up to me and hugged me and said I'm so glad we finally got to meet in person. I will never forget that embrace as we both knew David was one special young man. Susan...you raised an amazing son that I was so honored that you let me share be a part of his life. I will forever have a piece of my heart gone. I loved David and he loved his Mimi! I will see you again my dear David. You will be an amazing Angel that has already earned his wings.
