I send my deepest sympathy to the entire Beard Family. Always remember the wonderful times that you spent with her. Please find comfort in what the Bible says about the opportunity of seeing our loved ones again under the very best of conditions: "There is going to be a resurrection." --Acts 24:15 For more comfort please go to the following website <https://www.jw.org/en/video-why-study-the-bible> and then search for "When Someone You Love Dies" Brochure.

Just wish to offer my condolences to the family. (Psalm 90:10) The span of our life is 70 years, Or 80 if one is especially strong. But they are filled with trouble and sorrow; They quickly pass by, and away we fly. Mrs. Beard (102 years) Was blessed with longevity. Although she lived a lone time this does not ease the pain and sorrow. May God give the family and friends strength and peace during this time and in days to come. Warm Christian love to the family.

I remember one summer when Mother and I were visiting Nashville and Mother became ill at Grandpas at Pegrim's back in the hinterlands. Sje couldn't care for me and Aunt Ruthj was tied up so Aunt Mimi drove all those mile to fetch me and take me back to Nashvile. Im my foggy mind I link with her letting me take Neel's two wheeler for a ride. I went faster than she told me to, and slid on the gravel, went over the handlebars and ended up with a leg that looked like hamburger. She lovingly tended my wounds. At that point I knew she was my loving aunt. She lived a great long life (just like my mom) and although mysympathies are with you at this time, Jimmy and Ann, I also celebrate her long life.
