Charles was very special to me. He made me feel special by telling me to hold my head up. I remember the good times when we would go fishing. I miss him very much! I wish he was still here. I love him dearly. I will see you one day in heaven.

My favorite memories of uncle Ray is when he would take us fishing. I never caught anything but it was so much fun just being there. We spent lots of time with him and his family when we were children. He always had a smile and could make us laugh.
