My thoughts are with Christines' children, her brother John, her entire family and her friends. I am so sorry for your loss. I had the pleasure of meeting Christine through John and was able to visit with her at her home on a couple of occasions. It's been a few years but the last time I flew into Nashville to visit my mother in Belvidere, TN I made sure I stopped by and took Christine out to breakfast. I enjoyed visting with her, talking on the phone with her and receiving the most beautiful greeting cards from her. Christine was special to me, so kind and funny. I got a kick out of seeing her and John talking to eachother and seeing their banter back and forth. I was always so grateful that Christine and John were so close and I was happy they used to talk almost daily. I will miss her southern voice and kind words. We always ended our telephone conversations with I love you. I will truly miss Christine. My heart goes out to the Phelps family. May Christine always be in your hearts and on your mind. May happy memories bring you comfort and peace. With my deepest sympathy, Katie Dumrauf ~ Pittsburgh, Pa
