Tammy has been my best friend and sister for many yrs. I'm going to miss her dearly. I will miss her laughter, her smile, her loudness. I remember bugging her all the time telling her she needed hearing aids and she would tell me she was always loud because had to be heard over Tony & Todd growing up, then we would laugh about it. There are so many stories between the two of us. She will never be truly gone, she will always be in my heart. I will think of Tammy every day. Love You Girl Deanna
