Edith was a joy to work with for many years at the bank. Kind, thoughtful and always helpful with those who worked alongside her and cherished by her clients. Even after her retirement, I looked forward to her daily calls to me after the markets closed to get the bank's stock price. She will be missed. May her memory to those who knew and loved her bring many blessings.

I was director of the Customer Dining room at First American for 10 years. Edith was a frequent visitor with her clients. Always a smile and something nice to say about her experiences there. Her clients loved her as did her colleagues. She remembered everyone's birthday with a card for many years. So thoughtful! Rachel Blair
