Grandpa, you were such a comfort to me. No matter what was going on in my life, I always knew, that I was Grandpa's girl. As you told me all my life. I'm greatly comforted, that you are now with the love of your life, my Grandma, Barbara Brown Day. My Father, Earvie Wayne Day, and my uncle, David Lamarr Day, wish you happiness in your new existence, and hope to see you again in our new lives. You were so kind and loving to all of us. Until, illness took you from us too soon. We love you Grandpa, and hate that we missed so much time with you
