Uncle Don, I will always remember your humor and teasing. I know that will continue on now that you are in heaven with Grandma (Betty Chubb) and all of our loved ones. Our love, prayers, and condolences to your family and friends.

Every Sunday morning Don was a church greeter, if he saw me in the parking lot, he would open the door long before I got to it and wait there with a hug and a chocolate kiss for me. And if, for some reason, I didn't come through his door, he would come find me down on the platform during rehearsal (even if he was using his oxygen) just to give me a chocolate kiss - and sometimes 2, so I could give one to my daughter, Summer. Every once in awhile, I would buy him a bag of kisses to keep him stocked up. He always made people feel so good and welcome, no matter what kind of morning they had, or no matter how bad he might have been feeling. I sure miss him. Sheila, my prayers are with you and the family in your great loss. I feel very honored to be playing for his service.
