I was very proud to say that my husband of 21 years I still miss him with all my heart. Tim was a man of pride hard work and the life of any party. His life was cut to short but as I know in my heart God Will give him back in the next life. I miss his beautiful smile and just being with each other like we did everyday. If anyone can find the love that we had for each other consider your self lucky and be sure as I did tell your other half you love them everyday.
