I am so sorry for the loss of your precious son Mayson. Please accept my condolences, Markus and Heather and I extend them to your family as well. There is nothing worse than the loss of a child and there are no words to make it right. I do understand, my son Tyler died almost five years ago at the age of 18. I am your uncle Ray's ex-sister in law. If there is ever any solace or if you want to know how I've managed to still be here 5 years later, please ask Ray how to contact me. Diane
