Wayne & Doris Beasley posted:

I was going through a really hard time when I was in my mid-30s and went and sat, talked with Dot and she was so kind and understanding, said she had felt the way I did when she was close to that age, told me to hang in there and when I got old I would be glad that I did. Well, I am now older and so glad that she was wise enough and brave enough to tell me that....Wayne & I love Leon and Dot....really great folks and so privileged to have known them and look forward to seeing them again in eternity...Love and prayers for peace and comfort to her family. Love, Wayne and Doris Beasley
