Denise Gainous lit a candle in honor of Sue .

You were a special lady, and loved by many. My memories of your mom keeping me when I was little and being a part of your family. You all treated me like family. Watching your daughter grow into a smart beautiful woman, and shes passing what you taught her on to her beautiful daughter. Rest in peace, no more pain and suffering. Give Birtie, Agnes and Gail a big hug from me! Prayers for your family in the days to come.
