Dear Family, I am so sorry for the loss of such a dear lady that I will never forget. I loved her just like a sister and I was so glad that my sister Novia Dorough & my self was there to be with all of you in her last hours at the hospital, the Lord just made it possible for us to be there with all of you. I will never forget our 2 trips to Las Vegas that we had such a wonderful time out there and going to the Grand Canyon I don't know about Linda but that was 2 of my bucket list just going out there even if it was cold one minute and hot the next. Also going to Kentucky to play Bingo even though we did not win anything we just had fun being together. I love you as family and I will miss her dearly but she is out of her suffering and praise the Lord for that. Linda, the Lord and your husband is waiting for you and I hope to see you in Heaven one day soon. I Love You very much and I will never forget you and all your family and all the fun we have had on earth, hope to see you in Heaven when the Lord calls us home soon. Love Always, Mary Ellen Falkner Roach Alabaster, Alabama 35007
