Mr. Arthur "Art" Ralph Ethridge

FEB 19, 1935 - NOV 17, 2015

Arthur "Art" Ethridge, age 80 of Goodlettsville, passed away on November 17, 2015. Art was born in Macon County, Tennessee on February 19, 1935, to the late Heddy and Carrie Ethridge.

Although Art was a very serious man, his family can't tell a story about him without a good amount of laughter. He came from a large family with six other siblings, and there was over 20 years difference in age between the oldest and youngest sibling !

Art served in the United States Army as a photograph interpreter. He flew in the Lockheed U2 plane and the military used his work to create maps. Eventually, he documented the lives of Roy Orbison, Herman's Hermits, and the Waddell Family in pictures. He was an accomplished guitar player, too, and he loved good country music. His family recalls his many stories about sneaking into the Grand Ole Opry and gaining admission as a seat filler. Art was a great storyteller. "He was a hell of a man," remembers his son, Shayne.

Art retired from the US Postal Service where he was a Supervisor.

Art had a wealth of knowledge about many subjects. If the saying "there's a fine line between a genius and a madman" is true, then Art was proof of that. He was very interested in history, especially Greek and Roman history, and could name off dates of historic events with ease. There seemed to be no end to all the things he knew.

In addition to his parents, Art was preceded in death by his step-son, Kenny, as well as five of his siblings.

Art is survived by his loving wife of 44 years, Patsy "Nana Boots" Ethridge; sons, Arthur Ethridge, Jr., Eric (Casey) Ethridge, and Shayne Ethridge; brother, Roy (Louise) Ethridge; grandchildren, Autumn (Neal) Huff, Daniele (Earl) Green, and Kara Ethridge; great-grandchildren, Aria, Nicolas, Nataliegh, Anthony, and Zayden; as well as many, many nieces and nephews, and many friends, all of whom he loved dearly.

Donna Darity posted:

Pa! I love you so very much. We had a very special relationship. You called me your daughter and I called you my Pa.. We would talk and laugh for hours about pretty much every and anything U.F.O.'s , History, Life, Music and so on. You bought Kylee her first Pink guitar and taught her how to play it. You were such a gentle and sweet soul. There are no words that can say, how much you meant to us. You made a difference in our lives. You will be missed. I love you!! Your daughter, Donna
