I can never remember a time when my Aunt Betty wasn't there for me, her door was always open. Our best childhood memories are with her flying in her aquamarine 50's convertible over the dips and her delight to hear our squeals and laughter, she loved to take us to the mountains, lakes, carnivals, fairs she loved life and loved to make others happy. She worked hard and would do anything for her family. I am blessed to have her forever in my heart. Love to my family, may she be free from suffering and walk in Heaven with her family there. Kim, Tina and all of our family you are in my thoughts and prayers. I love you. Joy and Faith

I wanted to say that though I never got to know you, you have brought to me two people I think the world of. Your daughter and your grandson. You did an outstanding job. May God welcome you with open arms and may you rest in the peace he proclaims! in Jesus Christ's Name....AMEN!!!
