**Lois** posted:

Just discovered Bob's obituary. My memories go back to when Joan and I lived in the same dormitory at UW-Madison. I became a newly graduated social worker and Bob was in the same profession in western Wisconsin. As I recall, Bob, Cal Vernon and I needed a fourth for bridge. Joan agreed, met Bob, and it was the beginning their life together. I remember their wedding well. I hope you can share with Joan and her family that, even though belatedly, my thoughts are very much with them.
