Alicia Menees Mason posted:

I was saddened to hear of Coach Brimm's passing. Although I was never an athlete, I admired Coach Brimm who represented all that was wonderful about my Madison High School experience. He never failed to recognize me in later years as we happened to be at the same place at the same time. He was truly an admirable man from whom we could all learn. May you all feel God's loving arms around you during this time of transition until we meet again at the greatest MHS reunion of all.
