I did not know Jeremy like all of you.He was great friends with our grand kids.But after not seeing him for at least 5 years I was in a store ,and he walked ip and said ,are you Justin's grand ma,Karen? Of course I said yes and he said I thought so,I am Jeremy and he gave me a big hug.That will always be in my heart because usually young 20 years old are not that sweet to hug like he did.We stood there for awhile and got caught up and as I was walking away ,he hugged me and again and said see you again,Grand ma Hunter.I am so sad that was the last time I saw him .Karen Hunter
