My Sister.....it's been a week today that we had your "Celebration of Life" service. I'll forever miss your smile, funny laugh and kind and gentle spirit. You were always there for anyone that needed you, in sickness and in health. You gave so much of yourself to everyone around you. Forever and a day You will be missed by anyone who knew you because of your loving ways. While we miss you dearly, and we mourn your passing, we know that you are healthy and happy and pain free, and that you are safely in the loving arms of our merciful and forgiving God. Love you more than life itself, and always will!! Rickey
