Terry Graham lit a candle in honor of Chris .

Such a sad time had just seen Chris a couple weeks back at his dads home had been knowing Chris about 50 or more years and the family as well as I was employed by his father for many years but at this time it gets hard to say anything know one can prepare you for a loss, It comes like a swift wind, However take comfort in knowing that he is now resting in the arm's of our Lord Jesus Christ My family sends our deepest sympathy to my dearest friend Mr Chris and the family of Chris Can Berry III may he Rip. The Graham family

Christopher Prince posted:

Chris and I were in the Stratford High School Band together. We actually were in the same section playing treble clef baritone horns. Great memories of Chris and his parents at their house where all the friends would gather together. WE would ride our motorcycles together as a group and we thought we were the kings of the road and we were. Chris, I will miss you my buddy. All my love to his family.Christopher Prince.
