What a truly Wonderful Friend and person Ms. Jane was. She had one of the biggest loving hearts and spirits of anyone that I met. Always willing to help anyone in need, putting their needs before her own. We will all miss her dearly. Especially all the laughter that she invoked with the stories she would tell. I had the pleasure of knowing her for about 9 years and grew close to her in the last couple of years, months, and weeks up until she left us. She very much had her wits and sense of humor up until just a week before she went to be with the Lord. My condolences to David and Debra for your loss of a great sister and family member. Rest in Peace, Ms. Jane. You have definitely earned it! Love you and will miss you more than words can possibly say.

I met Jane through my Squirreltopia Wildlife Rescue page on Facebook. We quickly became friends and I love her dearly. She will be missed here, her jokes and kitty cat stories. Such a sweet, loving soul. RIP sweet Jane, we love you. And I wish peace to her brother as well.

Jane has such a giving heart to all that needed help. She loved her family, her cats and her friends. She would always have a story about her four legged friends. Jane could make me laugh so hard with her stories of things of the past and thoughts of the future. Thank you my dear Jane, for always being one that cared, listened and always made me laugh...
