The Boehms' family is special to me and my family. My Grandmother, Minnie Boehms Harvill. was a sister of Samuel Boehms--who was Grandfather to Jane, her siblings, etc. We knew and loved Jane, her siblings and her parents. I am so sorry to learn of Jane's death. She was a beautiful and lovely lady, and I wish I could be there with you now to embrace you. I would love to see each of you. I remember visiting at your home after my sister, Minnie Lou was the teacher in your area. James and Lyla visited me in Utah on one of their trips west. I have seen Beatrice and Jane at times when I visited family in Centerville. Wilma and I could probably compare notes on some heartaches (or tragedies) we have had to endure, Joe keeps us more up-to-date with facebook and pictures. That is good--I haven't seen Evelyn or Wilma for years. Lanelle and I have been corresponding more recently, and I get family news from her. I send my love and sympathy to each of you and your families, and pray that Heavens blessings will bring comfort to each of you. Love and best wishes, Nina Harvill Egli 3708 N. 900 W. I will always remember Jane for her warmth and sweet smile. When I was a young and shy girl attending many Boehms family reunions over the years, I would often feel uncomfortable in the crowd of people. However, Jane would always put me at ease with her kind conversations and smiles. She was genuinely interested in others and my father, Olin Boehms, thought so much of Jane. Sending my prayers and comfort to all of Jane's family. Julie Boehms Morris Eads, TN

Aunt Jane B Smith She was such a beautiful and caring lady. Growing up as a child. I can remember going to Aunt Jane's house for birthday party's, cook outs and Holiday events. As I got older I can always remember my aunt would never forget my siblings birthdays and my parents special occasions and we always looked forward to get her beautiful Family Christmas Cards. Aunt Jane was so very thoughtful and always saw the good in everyone. Jane was an Angel in my eyes and I know she is now in Heaven with my Dad. She was an inspiration to so many people and was the greatest mother to her children. A few years ago I had a beautiful SUV I was selling and Jane and John had been looking for one so I drove it over to their home for them to see it and they fell in love with it and bought it. They knew it was like brand new because I keep my cars spotless. I was so thankful and blessed to keep that SUV that I adored in the family. Anyone who knew my aunt Jane loved her dearly. My prayers go out to her family. I know this is a very difficult and sad time. I feel so very blessed to have known her throughout my life. I pray for my sweet uncle John Smith throughout this sad time. Aunt Jane called my mother, her sister on Monday as sick as she was to wish her a Happy 66 Wedding Anniversary. Aunt Jane was the sweetest person in this world and had a huge heart of gold.. I know she is free of pain now and in a better place. Heaven gained a very special Angel. May God Bless my Precious Aunt Jane. Roger K Dodson

We have known and loved Jane and John for many years through Cane Ridge Community Center, including the monthly game night. She and I both enjoyed scrapbooking, and she shared many of her tools with me. They also shared their home with us many times. They have been a joy to know all this time, and obviously loved each other. Jane will be missed in many ways by many among friends and family. She was always so sweet and positive, and as my mother would have said, she obviously "doted on John".
