Lori, I am so sorry for your loss. It's always difficult to lose someone you love, but especially hard to lose one of your parents. I never met your dad but he looks as if he was a very kind man. You can see the laughter in his eyes in this picture. Please let me know if there is anything that I can do for you or your family in your time of sorrow. My thoughts and prayers are with you and your family. Hope Ogden

Rheba Kiker lit a candle in honor of David.

I met David when I started at the clinic where Ms. Shirley was working. He brought her to work every day and picked her up every afternoon. We chatted about everything from cars to real estate. He had a way of telling a story. He was a kind person and he loved his wife and family. I will miss his sly little smile and his sense of humor. Rest in peace my friend. Rheba
