The family is very much in my thoughts and prayers for the comfort and peace that surpasses all understanding that only God can give. I'm going to miss so much seeing Melissa's sweet, smiling face at Inglewood Baptist Church.

I taught with Melissa for many years at Joelton Elementary. I admired her ability to manage a classroom with love and control. Her students were always well-behaved and on task, and yet I never heard her raise her voice or shout at them as some teachers tend to do. Her hair was always in place (even when it became a wig), and she always had a positive attitude - and a Coke for breakfast or a break. Yet she was always slim and neat. After I retired, I heard about her determination to teach even while taking treatment for cancer. I remember how sad we all were when her first child died and how excited we were when LeAnne was born. She was a great teacher, wife, mother, and friend. Mary Ann Jackson Partain
