There is one thing I know about Ruth Waller. I have never met a bigger woman. Not in physical stature, but she was a Giant in so many other ways. She was a woman of giant vision, giant intellect. She was a woman of giant ideas and passion and ability. I will never forget the first day I came to stay with Ruth. She had fallen before I got there and she was bleeding. I was terrified, but not Ruthie. She put a bandage over the cut and never mentioned it again. I knew from that moment just how strong she really was. It didn't take long for the two of us to become so comfortable with each other. She told me how she liked something and that's the way she always got it. I was always so happy to see her smile, it was contagious. She had a huge impact on my life. For as long as I live, she will always have a place in my heart. Farewell my sweetness, my friend, my inspiration. We will all miss you greatly until we meet again. Tammy Patterson
