Mrs. Mays was such a sweet person & I know you have wonderful memories. She came to Mom's 80th birthday party in 2009 even though at the time I know it was hard for her. They kept up with each other in frequent phone calls & were great friends. My sympathy goes out to all the family.

Your mother was such a nice, sweet, classy lady and a perfect example of why they are called the "Greatest Generation". It is so sad that we are losing them. Leon, Stan & Jan, my thoughts and prayers are with you and your families during this difficult time.

Ms. Vida was such a great lady! I have so many fond memories, to numerous to mention, of her when I lived across the street in Inglewood. To the entire family, whom she loved and cherished each and every one, I truly regret hearing of her passing. I regret that I will be out of town and cannot attend the service. Our prayers are with you all. Special, Special, Special! Kenny & P-Nutt Loftis
