I wanted to let all the family know that my prayers are with you. I met Mrs. Mueller on a couple of occasions when I was at Marlee's house and she was so sweet and funny and having the best time visiting with all of us that were there. The stories I have heard about her make me smile and I am happy that those of you who knew her were able to have such a wonderful lady with you for a long time. I know the memories of her will always be a blessing to all of you. God Bless you during this time, Bonnie D. Parker

I can't think of Aunt Gwythalyne without smiling, and she could have had a career as a stand up comic. I remember the Christmas parties that she and Uncle Keith had, back in the day, and everyone would go through-out the house doing the hokey pokey. Her house was decorated with her Santa collection and festive lights. The potato soup that she made was awesome, and I still cannot make mine taste like hers did. You never left her house without eating some of her home made desserts. Jack and I will always be grateful to Uncle Keith for being the chauffeur for anyone that needed a ride to the Webb Gatherings. Aunt Gwythalyne we love you and I can't imagine this world without you in it. Jack and Glenda Winters

I remember when we visited Bubu as kids, Aunt Gwythalyne would let us spend the night on her living room floor and before bed for hours she would tell spooky stories about the Bell Witch. We would watch home slide projection shows of their family vacations too. Then many years later when she was helping so much with our mother, Estelle, she came to the airport to see us off. I sat there with her in tears thanking her for all she did for mom. Aunt Gwythalyne said, "she ain't heavy, she's my sister." I loved her very much and want to grow old just like she did - a great role model. Love, Abbie Jean

"A Good Cook is like a sorceress who dispenses Happiness." author unknown That was my Aunt Gwythalyne, boy, she was a great cook. Always ready to feed you and share a laugh. I had been making scrambled eggs wrong for 50 years and she was the one who told me to add a little milk when I beat up the eggs. Voila, perfect scrambled eggs that my grandsons gobble up! And she showed me how to make biscuits, too. And who can forget her Cranberry Jello Salad. I used to eat it for breakfast when I was at her house. She loved her whole family so much, she will be missed tremendously by Mike & Marlee and all the grandkids and great grandkids, but Glory Be, she is back with the love of her life, Uncle Keith. We may all suffer but she is truly At Peace now. Lynn Ellen Sanders Smith
