Everytime I saw Charlene she was smiling. I did not know her very well but I remember how sweet she was and her smile was so genuine. The last time I saw her was when I went to see Cheyene at her mom's house. Charlene was so happy and friendly and that beautiful smile is my last memory of her . Charlene, Cheyene and their mother all seemed to be so happy that day. She had a sweet beautiful soul that shined in a dark world. God must love her alot. He always takes the good ones at a young age maybe because he likes them that much and wants them to hurt no more
