When Mike was 5, I was watching him while Mama went to get groceries, when Mama got home, Mike was nowhere to be found. We looked all over the neighborhood, screamed his name, couldn't find him anywhere. We searched for him about 2 hours. Then all of a sudden Mike came out of the back bedroom, he had been asleep on the bottom bunk of the bunkbeds. Mama punished me for not watching him. But after it was all over Mike hugged my neck and said he was sorry for getting me in trouble.

I am Mike's sister, Kathy, when Mike was about 5 or 6, and I was 10 or 11, A boy about my age was making fun on Mike, so I hit him and knocked him down.
