I first met Howard when I started working at Madison Mill. It wasn't long before I learned to love him for the way he loved to make me laugh. The hard work he put in EVERY single day. I worked with Howard for 13 years and have been gone from the Mill for 16 years. I was recently told he carried a picture of me in his wallet up to the day he passed. Howard you were a wonderful man. You will be missed and I have to add you were very handsome in this picture. Prayers to your family and friends. My heart goes out to you all.
