I am sorry to hear about the loss of your dear loved one, Peggy. Please accept my condolences at this painful time. Losing a loved one is distressing and as comfort is needed from family and friends, it is my hope your family will find comforting the promise at Isaiah 25:8 where we are assured that "death will be swallowed up forever." It is my hope your family will find strength to endure during the days ahead.

My thoughts and prayers go out to Miss Peggy's family at this difficult time. I worked with Peggy for the past 2-1/2 years at Beck & Beck. She shared many stories with me and I'm just grateful to have known her. Peggy was one of a kind of a kind and I will truly miss her and her laugh. It breaks my heart.

Trudy and family, you have been so blessed to have such a wonderful mother and today I know she is smiling down on you for the wonderful daughter you have been. I had the privilege of working with Peggy for several years and also sharing some good times on trips and visits with her. She was certainly a lady that loved life, traveling and loved her family and friends. Know you are in our prayers during this time. She was a very special lady in my life and I will treasure the times we spent together through work and other places. Much love to you and the family. Lynice Broyles.
