Sonia Martin was a friend to my family and became "Aunt Sonia" to me. I'm told that when she was sixteen and I was an infant, she took me on dates. During the formative years of my life, she and her mother "Aunt Grace" showered me with love and attention. They took me places and bought me things. They were instrumental in the person I became. I loved them dearly and spent many days and nights with them until I became a teenager. I will forever be grateful for the love, support and encouragement I received from them. I am shocked and saddened by Aunt Sonia's passing. My thoughts and prayers are with Kim and other members of her family. Rest in peace Aunt Sonia. I love you and look forward to seeing you again one day.. Lydia
