My dear, sweet friend. We were best friends in high school and I am so glad we reunited as adults. I miss you so much. I'll cherish every moment I ever had with you, and it's A LOT. I love you so much. I visited your grave the other day. Nice serene resting place near the forest. I was pleased. Your brother did a good job selecting your plot. Dad died and we were looking at graves. I asked the worker to show me your plot. I am relieved to know where you are. Of course, your spirit is with Jesus and our Lord. But it's nice to have a place to visit and reflect. To talk to you. I often hear your laughter. It was so infectious! Great times. Miss you, sweetie.

Amanda is one of the most gentle souls I have ever had the great fortune to meet. She was the person to set the example for what humankind should be. Gone from us all too soon, but never to be forgotten. Being the humble person that she was I doubt she realized the tremendous positive impact she made on everyone she met. You are missed Miss Amanda. EF1!Harry
